Major Leagues to Clash on Question of Makeup of Commission --- Commodore Baker Gets Cable From Sir Thomas

Says He Will Fight for One Man Commission.

denoted them.

The crowd beat a retreat in the face of the deluge, but by no means surcluster two leagues. The answer of the American League was to vote for a schedule of 140 games, decide to open the leaders held a council of war, with the result that a battalion of plumbers was detailed to shut off the water main at the rearest paint available. e and vote in favor of August Herr-

the National League, promptly took up he ded. "As to the first three points iture of a farthing." there is little likelihood of any differ-ence arising between us," said Heydler, as to the National Commission it is The National League cannot There is no use in trying to ake any other view of it.

Favors New System.

National League is firmly consinced of the necessity of a new system of government for baseball. The sentisent in the National League is in favor a neutral head of the National Commission, a national figure who understands the game but has no financial interests in baseball. I might add that the National League has a strong pref-crance for a one man National Com-

a new commission despite the admiration has for Mr. Herrmann. proved a most capable head, and during his long term at the head of the commission has solved many perplexed questions and has earned a reputation for integrity and fairness. We also appreciate the fact that the American League has given a fellow National Leaguer a vote of confidence.

But that does not alter the main usue. The National League does not want two members on the commission. To persons who do not know basebal understand its government the thing

When there has been an important t issue and where the two league ents disagreed Mr. Herrmann has it it his duty to decide in favor of the ry of 'Another one of those National

DAVIS TENNIS CUP

N. L. T. A. to Send Team to Australia.

Major Adee again will take the active leadership of the American Tennis body, and there's no doubt of his reciection to the presidency of the National Asso-ciation at the annual meeting in Febru-

There is much speculation as to whether Robert Lindley Murray, naional champion, will be nominated for the first position, or if the honor will go to the lithe Philadelphia doughboy, William T. Tilden 2d. Tilden was undefeated until Murray defeated him in the final of the national championships at Forest Hills, when the Quaker City lad was suffering with a boil on his heel. There is a precedent for rank-ing Tilden ahead of Murray, as it was done several years ago when McLoughlin was ranked ahead of R. Norris isms, despite the fact that the latter was national champion.
